2. Account Registration

To use Nocti, you must create an account using an email and password. You must provide accurate and complete information and keep your account secure.

You are responsible for any activity on your account. Notify us immediately of any unauthorized use.

- Subscriptions auto-renew unless canceled 24 hours before the end of the billing cycle.
- You can manage or cancel your subscription in your device settings.

4. Use of AI

AI-generated insights are for personal entertainment and reflection only. Nocti is not a substitute for medical, psychological, or professional advice.

5. Content Ownership

You own the dreams you create. By posting publicly, you grant Nocti a non-exclusive license to display that content within the app and to other users.

You agree not to post or distribute content that is unlawful, harassing, or violates intellectual property rights.
